HAVANA NIGHTS

With Miami known for its Cuban influence, We are proud to celebrate with Havana Nights! Welcome your guests with the smell of mint at our mojito station where guests can customize their mojitos with 5 flavors! To compliment their drinks, include a live cigar roller! Guests will be entranced by the delicate precision it takes to create the perfect cigar. Your guests can then take their cigar to the sky deck where they can smoke and be surrounded by the rhythm coming from the Latin jazz band.
